YASMIN AND CHRISTIAN HEMMERLE

No strangers to mouthwatering gems, the youngest members of the venerable German jewelry house Hemmerle have taken the concept a step further with "Delicious Jewels," a cookbook they created with the chef Tamasin Day-Lewis to accompany their latest collection — a bounty of exquisite vegetable brooches and earrings. "We like to entertain," says Christian Hemmerle. "But we don't want to stand in the kitchen for 10 hours. The book is full of good, honest food that people can actually cook." **SANDRA BALLENTINE**
